

Michigan Lean Consortium

Certificate of Membership

Is hereby granted to:

Jon Wetzel

Through: April 2011

Vision

All organizations pursue excellence to make Michigan one of the best places in the country to live, learn, and earn

Mission

Offer a diverse network to share innovative practices ensuring sustainable competitive advantage in Michigan, measured by economic, environmental, and social health

Values

- A teaching and learning atmosphere
- Cross-industry participation
- Cultural transformation
- Broad and diverse participation
- Networking
- Learning facilitated by hands-on and "go-and-see" experiences
- Bias toward action, innovation, and experimentation
- Customer needs
- Measurable results
